SUMMARY OF THE REASONS FOR DECISION:

The magazine entitled *Adam Film World Guide XXX Movie Illustrated Volume 10 Number 3* is classified as:

Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

The magazine has been given this classification because it contains photographs of male to female and female to female sexual activity such as cunnilingus, fellatio and vaginal intercourse. There are some small photographs of splayed labia. The magazine also includes a variety of advertisements, reviews and articles all dealing with sexual material.

The magazine has some demeaning and degrading elements such as derogatory references to women. However, these elements constitute only a small part of the magazine, and are further balanced by the friendly tone. The availability of the magazine is likely to be injurious to the public good unless it is restricted to an adult audience because of the explicit depiction of sexual activity, and some degrading and demeaning elements, which are presented in a manner intended to sexually arouse.
